

FRCS (Tr and Orth) Viva Course for Orthopaedic Surgeons

The aim of this course is to enable orthopaedic surgeons to explore the broad range of orthopaedics required for the FRCS (Tr & Orth) examination in a friendly atmosphere, with particular attention being paid to viva (oral examination) technique.

Course content includes

- Introduction to the FRCS (Tr & Orth) examination
- Negotiating the requirements of the course/introduction to positive critiquing
- Clinical examination session – history taking

Why take this course?

This course is completely interactive with 100% candidate participation and aims towards successful completion of the FRCS Orth examination.

Who should attend?

ST5-8 and SAS Grades

Delegate feedback

'I must thank Mr Sherman & Mr Mahaluxmivala for their commitment and enthusiasm. This course really allowed me to think and prepare for the exam in a logical and systematic manner.' - July 2015
